BETHANIE BADERTSCHER

NORTHEASTERN UNIVERSITY
BOSTON, MA

STATS: 5'6" • 115 lbs. • 34C-24-36
AGE: 22 • MAJOR: Liberal Arts

The best thing about college: Is getting to meet a variety of people from all over the country. **Social butterfly or bookworm?** I am a little bit of both, but I've learned to be responsible with my time. I know when it's time to buckle down and study and when it is okay to let loose and party.

Career ambition: One day I'd like to own a trendy bar or nightclub where people can go to relax, chill out and let go of the day-to-day grind.

HALEY SORENSON

INDIANA UNIVERSITY
BLOOMINGTON, IN

STATS: 5'6" • 110 lbs. • 32DD-24-36
AGE: 18 • MAJOR: Art History

How to handle campus life: The key is to realize that you don't have to go to every activity on campus. Remember you'll be there for four years and there will always be another football game or party to enjoy. **Study habits:** I try to stay on top of the required reading and review everything I learn so I can retain it at test time. **Blowing off steam:** After doing well on a test or paper I like to get all dolled up and hang out with my friends.

BRITTANYMARIE

GREENVILLE TECH
GREENVILLE, SC

STATS: 5'5" • 105 lbs. • 34B-24-33
AGE: 20 • MAJOR: Business Management

The one thing about college that has surprised me most is: How laid-back and approachable all of my teachers and professors are. **To cram or not to cram?** I usually try to put studying for a test ahead of socializing and partying because I can always go out with friends, but I may only get one chance to pass a test.

What I want people to know about me: I really am more than just a pretty face. I have brains, too!

STEPHANIE FINK

JOLIET JUNIOR COLLEGE
JOLIET, IL

STATS: 5'7" • 115 lbs. • 34D-25-34
AGE: 20 • MAJOR: Psychology

Study habits: I try to keep my nose in the books and stay on top of my homework, but somehow I always end up cramming before a test. I've become a very good crammer! **Girls gone wild:** One night at a party things got a little crazy and I hooked up with another girl! **Rewarding behavior:**

After getting a good grade on a test or paper I like to take a super-long nap and then go out with my friends.

MEGAN MOONEY

BLUEGRASS COMMUNITY
& TECHNICAL COLLEGE
LEXINGTON, KY

STATS: 5'4" • 118 lbs. • 34C-26-34
AGE: 19 • MAJOR: Journalism

Mix and mingle: What's surprised me most about my college experience is the large number of international students I've had the opportunity to meet. **My approach to school is:**

Study hard—play hard! I usually try to get my work out of the way before I go out and party so I don't feel like I have something hanging over my head, but it's hard because I am a master procrastinator! **My guilty pleasure:** Dove chocolate.

LAURENELIZABETH

TEMPLE UNIVERSITY
PHILADELPHIA, PA

STATS: 5'5" • 119 lbs. • 36C-24-35

AGE: 19 • MAJOR: Biology

Bookworm or party girl? I am very dedicated when it comes to school, but I also try to maintain a good balance between work and play. I like to get my homework done so I can go out and party with my friends! **When I get stressed out:** I like to sing Beatles music and dance around my room or put my energy into cleaning obsessively to get organized. **Post-grad plans:** My goal is to become a dentist.

MARIELA HENDERSON

PURDUE UNIVERSITY
WEST LAFAYETTE, IN
STATS: 5'2" • 105 lbs. • 32C-24-35
AGE: 24 • MAJOR: Communications

The best thing about attending a big university: Was the opportunity to meet and interact with a lot of interesting people from all over the world. **Cram sessions:** I really hated studying for long periods of time so I would basically cram for my tests. Not that I recommend it for everyone, but it worked for me. I got good grades, was on the dean's list a few times and recently graduated with a 3.4 GPA. **Essential study snacks:** Cookies!

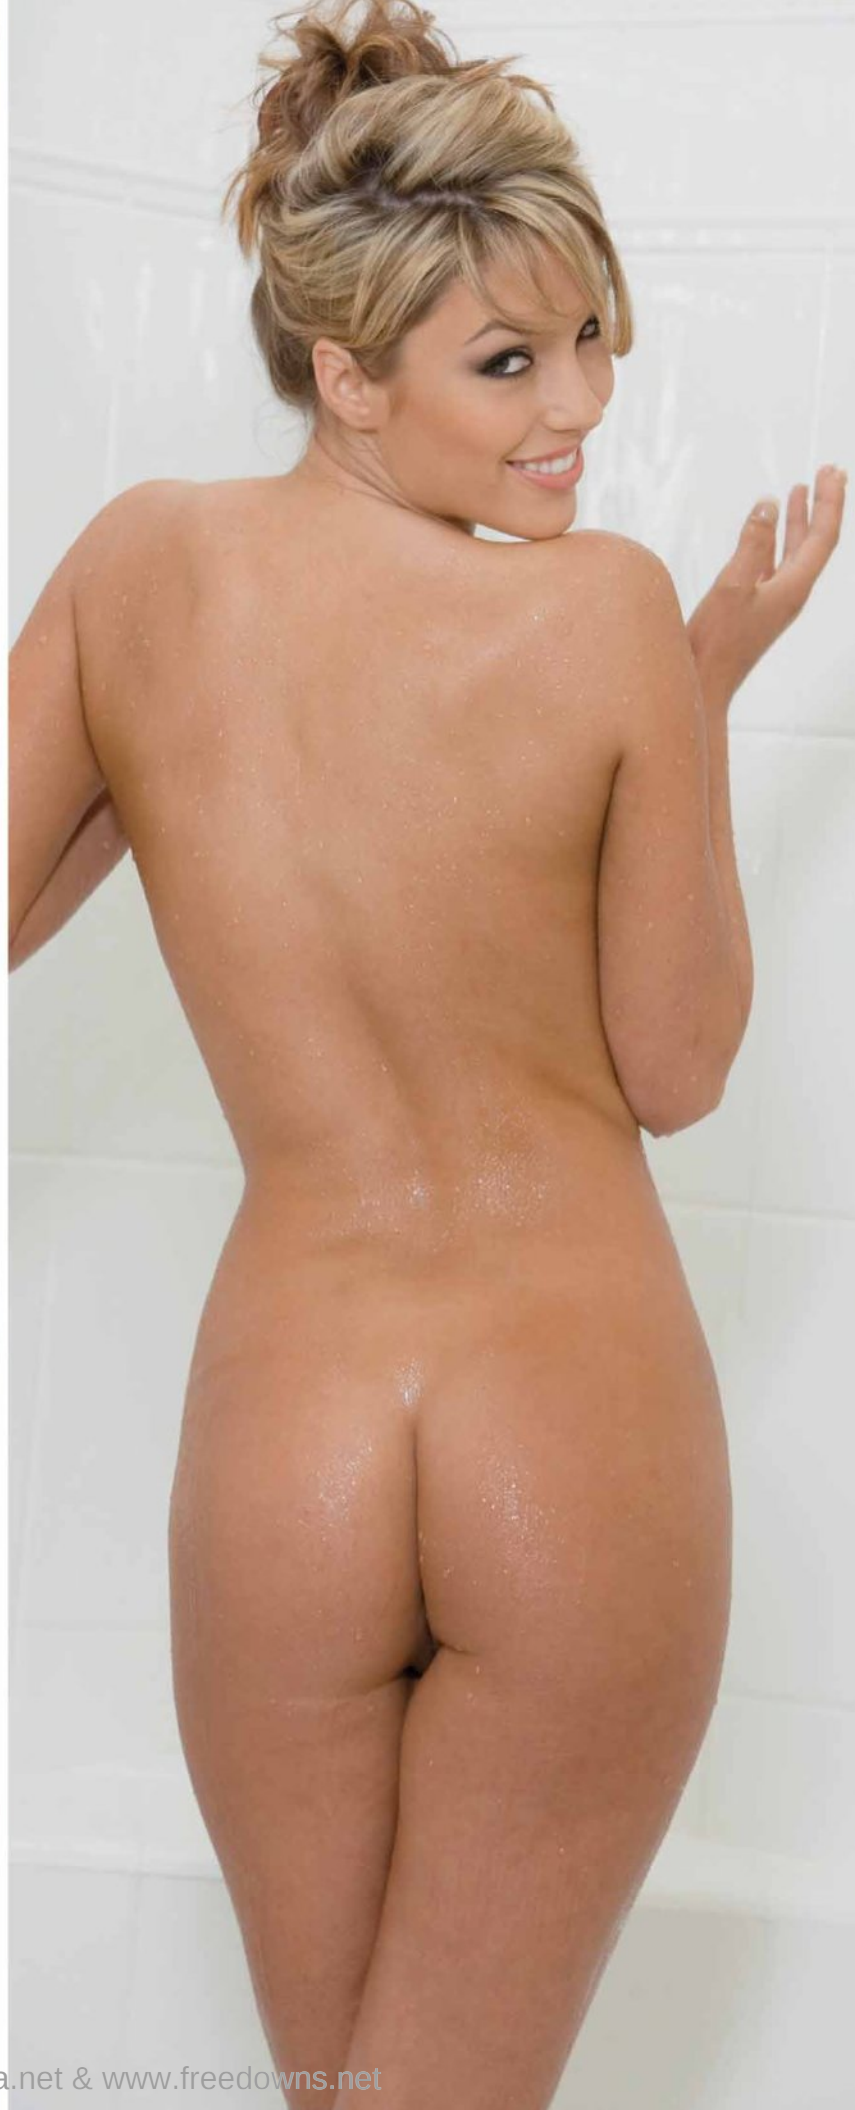

JAMIE LEE MILLER

DEANZA COLLEGE
CUPERTINO, CA

STATS: 5'8" • 115 lbs. • 34C-25-35
AGE: 20 • MAJOR: Business

What I'll remember most about college: I studied abroad in Spain for four months and had the time of my life! I loved living in another culture and meeting new people. **Life lessons:** Important things I've learned haven't come from a book or a classroom but from my social experiences. **When I graduate:** I want to pursue a career in international sales, which will provide me the opportunity to travel the world.

LEXI RAY

FULLERTON COLLEGE
FULLERTON, CA

STATS: 5'3" • 102 lbs. • 32B-25-34

AGE: 20 • MAJOR: Nursing

Study habits: I hate to admit it, but mine aren't great! I am a big procrastinator and I end up cramming before most of my exams. **When I do well on a test:** For me positive reinforcement goes a long way so I like to reward myself with a tasty milkshake after any test or paper! **How to handle campus**

life: You have to manage your time well and ask for help when you need it. There will be plenty of time to party!

Subject: Over the moon

The latest *Fresh Faces* was unquestionably your best issue to date. All 18 ladies were amazing, but Megan Mooney is one beauty who really caught my eye. Blessed with golden, girl-next-door looks and a flawless, all-natural figure to match, Megan is something really special. Please make Megan a must-see model in future issues. ...J.E.B.

Subject: Sexy in suds

Featuring the female form at its undressed best, *Nudes* was an exhilarating issue. Cover girl Samantha Harris was simply stunning and Kristi Lynn's (above) shower shots were easily her sexiest to date. Thanks for another unforgettable effort. ...Jim
